SANDY HILL, Oct. 20.

Dear News: On last evening the Sandy Hill Literary Society have advanced for the election of met at this place. On the program their licket next month. They for the evening was the question Resolved, that foreign immigration should be prohibited. After the favor of the allirmative. The programme having been carried out the audience was bored with an address from R.C. McClure. Among other things that be said, or tried to say, was that the judges had de cided that foreign immugration should be prohibited. Thus he showed a limited knowledge of the erate brought on the hard times duty of the judges of a debating society. The least child in the house knew that the judges had de cided in layor of the points offered by the allirmative speakers; in Democrats brought on the hard other words, they had decided that, according to their foundation, the was upon the merits of the argu-They have never vouchsafed any ment, not upon the merits of the for both sides of the question and then he went on to emberse foreign immigration in the widest sense of the term and the imprigration of Chinese, Hungarians, Sicilians, all that of English, Germans, etc. For says he, the Bible says, "Ito troto others us you would have them did houtlempt to offer for the other side of the question. He then went on to state that he had once had the honor to be superintendent of schools of this county, and that he had also had the honor to pre side over the debating society in the Lauisville Law School. The people of this county well remem ber his arbitrary course while Co Supt., so that statement was unneecessary, but that he had studied and several children and grand had be not made that statement, ease was ulcer of the stomache on he was made chairman of the
